Hello Mr. McCalister,

Below is your booking link and call-in information for reservations with your upcoming group block at Holiday Inn Denver East Stapleton.

If there is a special need for ADA accommodations, please have the guest make a reservation first and then contact me directly. Please note that all ADA rooms have a single king bed only, though we may be able to provide a roll-away based on availability.

When you click the link, you will be taken to the Holiday Inn website. Choose your check in and check out date. If you click on the plus sign next to "more options" you can select the number of adults and children. The Group Code "**SUR**" will already be filled in for you.

Click "Check Availability" and your group's rates will be displayed.

Your guests may book now until **April 16, 2018** or until the block fills.

The link may not work on a mobile phone, if that is the case, I suggest using a desktop computer. It also works best in Google Chrome versus Internet Explorer. If you have any questions or problems with the link, please reach out to me and I will do my best to correct the issue.

Guests may also call Central Reservations at **1-866-380-6850** to make reservations if they prefer. Please have them reference the Group Name, "**Silver Spurs Reunion**" or the block code "**SUR**".

Also, remind your guests they can sign up for IHG Rewards Club at the front desk when they check in to start earning points!

Thank you and have a great day!
